

GovLink DHS: February 28, 2022 Production Release

What's new?

Attorney Address Required

Users with a role of Attorney are required to either have an address entered into the system, or have the 'Utilize Local Office Address' option selected. This address will be used to populate Attorney addresses in forms and letters in the future. When 'Utilize Local Office Address' is selected, the address of the local office associated to the filing is used.
