

Release notes - GovLink – 3.1

STORIES

[GOV-6540](#) **ALL ORGS** - *In App Notification Link to Case/Filing*

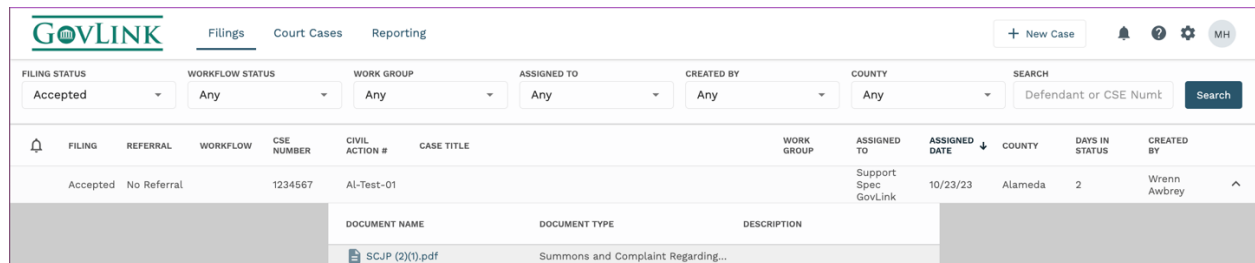

- The Filing ID in In-App notifications will now be a hyperlink that navigates the user to the filing stepper for the filing
- The Case ID in In-App notifications will now be a hyperlink that navigates the user to the Case Details page for the case

[GOV-6475](#) **ALL ORGS** - *Add 'Days in Status' to Filing Status Change Report*

- The Filing Status Change Report will now display a Days in Status column.

[GOV-5584](#) **ALL ORGS** - *Expand/Collapse Documents List on Filing Grid*

- Users will now have a dropdown arrow to the far right of filings in any status on the dashboard. This arrow will open and collapse the filing to display documents within the filing complete with clickable links to the documents.

The screenshot shows the GovLink dashboard interface. At the top, there are navigation tabs for 'Filings', 'Court Cases', and 'Reporting'. Below the tabs is a search bar with a '+ New Case' button and a user profile icon labeled 'MH'. The main content area is a grid of filings. The grid has columns for FILING STATUS, REFERRAL, WORKFLOW, CSE NUMBER, CIVIL ACTION #, CASE TITLE, WORK GROUP, ASSIGNED TO, ASSIGNED DATE, COUNTY, DAYS IN STATUS, and CREATED BY. A row is highlighted with a dropdown arrow on the far right. Below this row, a document list is visible with columns for DOCUMENT NAME, DOCUMENT TYPE, and DESCRIPTION. The document listed is 'SCJP (2)(1).pdf' with the description 'Summons and Complaint Regarding...'.

FILING STATUS	WORKFLOW STATUS	WORK GROUP	ASSIGNED TO	CREATED BY	COUNTY	SEARCH
Accepted	Any	Any	Any	Any	Any	Defendant or CSE Numbr

FILING	REFERRAL	WORKFLOW	CSE NUMBER	CIVIL ACTION #	CASE TITLE	WORK GROUP	ASSIGNED TO	ASSIGNED DATE	COUNTY	DAYS IN STATUS	CREATED BY
Accepted	No Referral		1234567	Al-Test-01		Support Spec GovLink		10/23/23	Alameda	2	Wrenn Awbrey

DOCUMENT NAME	DOCUMENT TYPE	DESCRIPTION
SCJP (2)(1).pdf		Summons and Complaint Regarding...

[GOV-6483](#) **ALL ORGS** - *Add Third Address Line in Party Details Pop Up*

- The “Street address line 2” in the party details box will now be a text area field instead of a single line allowing for a third address line to be added.

GOV-6291 ALL ORGS – Ability to reassign a filing after submission, acceptance or rejection

- Users will now be able to reassign a filing on the last step of the filing stepper even if the filing is in a status other than Unfiled.

GOV-6476 ALL ORGS - Permission for updating NCP/CP or Party Type Edit

- A permission for CP/NCP Edit has been added to the user profile to permit or not permit the user to edit the CP/NCP dropdown on the Parties step of the filing stepper.
- A permission for Party Type Edit has been added to the user profile to permit or not permit the user to edit the party type dropdown on the Parties step of the filing stepper.
- Both of these permissions are separate from the Edit Parties permission which allows users to edit actual party information such as the name and address.

GOV-6477 LACSE - Moving Referral Step in the Family/Domestic Stepper

- For Louisiana, the referral step will now be **STEP 3** in the filing stepper.

GOV-6482 LACSE - Default filing stepper to referral step

- For Louisiana, the filings stepper will now default to the referral step which will now be **STEP 3** in the stepper.

GOV-6501 LACSE - Add County/Parish Filter to Filing Grid

- For Louisiana, users will now be able to filter their dashboard by parish. A parish dropdown has been added to the dashboard filters.

GOV-6416 LACSE - Referrals Report

- In Louisiana, users can now pull reports based on referral data.
- Filters will include:

- Referral Action Date
 - Referral Event
 - Referral Created
 - Referral Sent
 - Referral Accepted
 - Referral Rejected
 - Referral Filed
 - Judicial District
 - Parish
 - Location
 - Assigned To: Work Group
 - Assigned To: User
 - Created by: User
- There is a new link on the Reporting screen for Louisiana titled Referral Tracking Report.
